MBCT & Chorus
Cabinet Mural Competition 2020

'Native NZ' Mural Competition

Need a blank canvas for your artwork?
Enter the competition to get your artwork seen!

MBCT has teamed up with Chorus, once again, to bring South Auckland Communities the Chorus Cabinet Mural Competition for another year! The Trust has secured six Chorus cabinets, one in each Southern Local Board, for new murals to be completed on.

Chorus cabinets provide the perfect blank canvas and a fantastic platform to showcase local artists' work.

Help MBCT beautify South Auckland by entering the competition!

The Trust and our partnering judges will select six successful designs, one for each cabinet. Please remember to select three areas, in order of priority, when submitting artwork so designs can be allocated to cabinets accordingly. (We suggest that the areas selected are commutable by the artist for ease when completing the mural.)
